

### NETWORKSAND COLLABORATIONS;

GANSPRO works with other NGOs and other development actors within our area of operations. These include; - ministry of education, healthy, water and irrigation, the provincial administration, District Development office and civil society organization. We will continue making and strengthening networks at various levels, locally, nationally, and globally with like minded partners in order to build and strengthen our relationship of programme.

### MANAGEMENT;

GANSPRO is managed by a Board of Directors as the policy making organs. The programmes are managed through a programme manager reporting direct to the Board.

Dr Greet ,Arijen talking to students at kimangao girls .

To effect GANSPRO'S role and  
Mandate.

**Whosoever Cometh unto Me I Shall no way cast out**

## Introduction

Gai needy students project is a Non-Governmental Organization (NGO) registered under the NGO co-Ordinating Act 1990. Our operations are mainly in Kyuso District and Mwingi District. GANSPRO is a Christian charitable, non-political, non profit making and educational

Mr. Arjen, Jacob and needy students at Kimangao School.

## VISION;

GANSPRO is guided by the vision of an educated society that values and practices good human health and morals and which promote cohesion in diversity for sustainable development.

## VALUES;

Gender equality

Accountability and transparency

Respect for children rights

Participation and capacity building

Solidarity with the poor and marginalized people.

## OUR OBJECTIVES;

1. The main objective of the organization is to promote education amongst children in Kenya
2. To promote and encourage Christian education especially amongst the poor/ needy students residing in kyuso/mwingi district at large.
3. To improve the transition rate of needy students to post primary / secondary school education.
4. To make the beneficiary of the education support programme self-reliant after completion of the school/training.
5. To achieve sustainable development in utilization of human resources in order to better quality of life for all needy students.
6. To work in partnership with the Government institutions, private sector and other NGOs with the aim of improving the overall standard of living.

## OUR PARTNERS;

GANSPRO focuses its development programme on poor needy children and poverty alleviation programmed in the kyuso/mwingi district.

In particular GANSPRO works in partnership with selected community /churches /administrators to reach the real orphans /poor children, PLWAS, the girl child single parent, the youth and the other marginalized groups.

## OUR ACTIVITIES;

Poverty alleviation through education;

Since its inception GANSPRO has sponsored who has usefully completion form four other needy students were sponsored for technical (vocational) training e.g. tailoring, dressmaking and mechanical engineering.

Director, Mr Jacob and needy students at the seminar on 4/1/07
